Slow

Music's soft power may calm the troubled breast
And soothe distraction into peaceful rest
[illegible] a cure for [illegible] harmony
But [illegible] and the [illegible] that [illegible] with [illegible]

Tis only you that [illegible] the [illegible] have given
The pleasing painful [illegible] can relieve
Exert your power and [illegible] to ease my pain
Restore lost comfort before it is in vain
